Hydrogen, fuel cells and Electro-mobility in European Regions

INVITATION to HyER Highlights

HyER 5th Annual General Meeting

24-26 June 2013, Brussels

5 years Aiming Hydrogen, fuel cells and Electro-mobility in European Regions

We are pleased to invite you to our 5th Annual General Meeting. This year, HyER will be marking its 5th anniversary together with its member regions and cities across Europe with a three-day event on 24-26 June 2013 during the European Sustainable Energy Week (EUSEW), in Brussels. On 24-25 June (starting at 12:00), an EU Electromobility Stakeholder Forum co-organised by HyER and the Green e-Motion and FR-EVUE projects will take place at the Palais des Académies, rue Ducale 1, Brussels, featuring the **second European Electromobility Observatory (EEO) workshop "*Want to be in charge? Business models for charging infrastructure*"** on 24 June starting at 17.30 at the same location (Palais des Académies, Brussels).

At the **European Parliament Expert workshop** co-organised by HyER, the region of Stuttgart, the Eindhoven University, ERRIN and hosted by Michael Theurer MEP on 25 June at 16.30, HyER will present the EEO, as an instrument for fact-based policy making to MEPs. The workshop will be followed by a networking cocktail hosted by HyER at the European Parliament. After the cocktail on 25 June 2013 at 19.30, the **HyER HyFever Party** will kick off at the House of Cities, Municipalities and Regions, Square de Meeus, 1, Brussels.

On 26 June, HyER members will hold their Annual General Meeting in the presence of **London's Vice-Mayor Kit Malthouse** who will lead the discussions on HyER's ambitions with regards to local alternative fuel infrastructure deployments linked to clean energy.
