“Energy chain at citizens disposal” “Energames”

The Regional Energy Department and ARAEN, Energy Agency
of Regione Abruzzo,
under the umbrella of **UNESCO**, organizes in Pescara,
the 14° november 2009 h. 9,30 :

“Energy chain at citizens disposal”

The aim is to inform citizen and improve their awareness on renewable energies. The event is organized to help people to overcome the barriers in using renewables in the Regione Abruzzo.

Energy chain stakeholders will join the event: producers, supplier, distributors, maintenance firm, industries and representatives of Public administrations.

Students and citizen are the protagonist of the day.

In the framework of the event will be presented

**“Energamesnaturally energy”
5° edition of the Regional Contest 2009-2010**

Targeted to all Regione Abruzzo Schools.
